

We Deliver to You the Most Accurate and Reliable Sales Lead Database

WE GUARANTEE YOU WILL RECEIVE ACCURATE, HIGH QUALITY DATA WITH THE MOST CURRENT RECORDS AVAILABLE IN EVERY LIST YOU ORDER.

Are you looking for the right lists to generate sales leads for your next campaign? At Wave Evolution, we provide

fresh, accurate mailing lists and targeted leads for direct mail and or telemarketing. Let us help you find your perfect leads from our database consisting of over 500, 000 businesses and individuals in Malaysia!

What is the solution?

No list can be 100% accurate due to the constant and ongoing changes in the business world. Thus, we help clients to make telephone calls to confirm the accuracy of the records. All purchased database will be verified by telephone to ensure that you are getting the most up to date contacts.

Information available on each record:

- Name of decision maker
- Company name
- Company address
- Telephone
- Facsimile
- Email
- Business nature

etc...
